America the Beautiful, Pitch D

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with
brotherhood
From sea to shining sea!

O beautiful thy immigrants
Who hail from every land
Their hope and heart and diligence
Like gifts from god's own hand
America! America!
Thy grace shall yet remain
To greet the poor who reach thy
shore with open arms again
